### *Recycled Reads*

The Friends of the Orland Park Public Library maintain Recycled Reads, an ever-changing selection of used books available for purchase, located in the northwest corner of the lobby. The proceeds from the sale of these gently-used, low-priced books are donated to the library to purchase a wide variety of materials, equipment and services for the library.

**Q:** *Do you enjoy your public library?*

**Q:** *Do you appreciate the services it offers to our community?*

**Q:** *How can you show your support?*

**A:** Become a **Friend** of the Orland Park Public Library

The Friends of the Orland Park Public Library is a non-profit organization dedicated to encouraging public interest and financial support for the library. We support various programs and cultural activities held at the library for the enjoyment of the entire community.

The Friends are directed by a Board of Trustees and officers. They are nominated from the membership at large, serve a two-year term and meet five times a year. If you are interested in serving as a Trustee, please call Robin Wagner at 708-428-5202.

An annual membership meeting is held each fall. At this meeting, the election of officers is held, a recap of the past year's events is given and a donation based on the success of the year's fundraising efforts is presented to the library's director.
