

ORLAND PARK PUBLIC LIBRARY
FLOORING PROJECT

Beginning Friday, April 14, 2017 the Library will begin a flooring project in certain areas of the building.

The Orland Park Public Library was awarded monies from the Illinois State Library's Live and Learn Construction Grant in 2016. At this time the existing carpet located in the lobby, main staircase, as well as the Youth Services main corridor will be replaced with sustainable flooring.

The current flooring project will continue through June 1, 2017. This project is the beginning of a multi-phase carpet replacement which is expected to last several years.

THIS PROJECT HAS BEEN GENEROUSLY FUNDED BY
SECRETARY OF STATE JESSE WHITE THROUGH THE
ILLINOIS STATE LIBRARY'S LIVE AND LEARN
CONSTRUCTION GRANT.
