Any unaltered or unadulterated copy of this Agreement produced from such an electronic format will be legally binding upon the parties and equivalent to the original for all purposes, including litigation. Tyco may rely upon Customer's assent to the terms and conditions of this Agreement, if Customer has signed this Agreement or has demonstrated its intent to be bound whether by electronic signature or otherwise. 2. Customer acknowledges and agrees that Tyco may share all such information with its parents, subsidiaries, affiliates and its/their successor corporations or any subcontractor or assignee, within and outside the country in which the Customer is located and thereby subject such information to the laws of such countries.

E. Limitation of Liability, Indemnification (Sale of Access/Video Equipment and Installation Only). Notwithstanding anything to the contrary in this Agreement or any purchasing document presented by Customer, only Video and/or Access Equipment and Services shall be provided by Tyco under the terms and conditions of this Agreement. The Equipment and Services provided by Tyco under this Agreement will not include: (a) burglar and/or fire detection or alarm equipment or monitoring, maintenance, inspection or other services; (b) security guard services; or (c) architectural, engineering, or design professional services. 1. Indemnity. (a) Tyco shall defend, indemnify and hold Customer, its corporate affiliates, and their respective officers, directors, agents and employees harmless from damage, liability and expense resulting from the negligent acts or willful misconduct of Tyco's agents and employees committed while performing Services on Customer's premises, to the extent that they are the

direct cause of the loss, damage or injury to third parties or Customer's property (e.g., equipment dislodging and striking a third party due to improper installation), as opposed to being caused by an occurrence or the consequences therefrom that the Equipment or Services were intended to deter, detect or avert. (b) Customer shall defend, indemnify and hold Tyco, its affiliates, and their respective officers, directors, agents and employees, harmless from damage, liability and expense to the extent that any such loss is not directly caused by the negligent acts or willful misconduct of Tyco's agents and/or employees, or arises out of any claim related to invasion of privacy, infliction of emotional distress, harassment, violation of eavesdropping/wiretapping laws or similar claims arising out of Customer's use of the Equipment and/or Services.

2. Limitations on Liability. If Customer uses the Equipment and/or Services to aid in monitoring or controlling the location or activities of persons on or about its property and premises, Customer acknowledges that the Equipment and/or Services are not intended to be the sole means for doing so. Tyco's Equipment and Services do not cause and cannot eliminate occurrences of the events they are intended to deter, detect, avert or record. Tyco is not an insurer of the safety or security of any person, entity or property, or against the risks attendant to a person's presence in, or ingress to or egress from any building, property or area that may be monitored by the Equipment and/or Services. The amounts Tyco charges Customer are not Insurance premiums. Such charges are based upon the value of the Equipment and Services provided and are unrelated to any such risk of loss. Tyco does not undertake and assumes no liability for such risk by providing the Equipment and/or Services. If Tyco is nevertheless found liable under any legal theory for loss, damage or injury caused directly or indirectly by occurrences or the consequences therefrom which the Equipment and/or Services are intended to deter, detect, avert or record, Tyco's liability shall be limited to the sums paid by Customer for the Equipment or Services at Issue as Customer's sole remedy. Tyco is not responsible for the preservation of any computer programs or data and Customer is responsible for maintaining adequate back-ups.

F. Other Charges; Remedies; Termination. 1. There may be a service charge to Customer for cancelled installation/service appointments if Customer cancels less than 24-hours prior to dispatch, or if Tyco's representative is sent to the Customer's premises in response to a service call for false alarm or System malfunction caused by Customer's operation contrary to instructions, failure to close or properly secure a window, door or other protected point, or improper adjustment of monitors or accessory components. 2. Failure to pay amounts when due shall give Tyco, in addition to any other available remedies, the right to terminate this Agreement and to charge interest at the highest legal rate on delinquent amounts. Installation Charge(s) are based on Tyco performing the installation with its own personnel. If for any reason installation must be performed by outside contractors, Installation Charge(s) may be subject to revision. 3. In addition to any other remedies available to Tyco, Tyco may terminate this Agreement and discontinue any Service(s) if (a) Tyco's CMC is substantially damaged by fire or catastrophe or if Tyco is unable to obtain any connections or privileges required to transmit signals between the Customer's premises, Tyco's CMC or the Municipal Fire or Police Department or other first responder; (b) Customer fails to follow Tyco's recommendations for the repair or replacement of defective parts of the System not covered under the Warranty or QSP Service; (c) Customer's failure to follow the operating instructions provided by Tyco results in an undue number of false alarms or System malfunction; (d) In Tyco's sole opinion, the premises in which the System is installed are unsafe, unsuitable, or so modified or altered after installation as to render continuation of Service(s) impractical or impossible; (e) Tyco is unable to obtain or continue to support technologies, Telecom Services, Communication Facilities, Equipment or component parts thereof that are discontinued, become obsolete or are otherwise not commercially available; or (f) Customer fails to make payments when due or otherwise breaches this Agreement. Tyco will not be liable for any damages or subject to any penalty as a result of any such termination.

G. Hazardous Materials. For all projects except those involving new construction, Customer represents and warrants that to the best of Customer's knowledge the work site is free of any hazardous materials. The term "hazardous materials" includes but is not limited to asbestos, asbestos-containing material, polychlorinated biphenyl ("PCB"), formaldehyde or other potentially toxic or otherwise hazardous material. If any such substance is discovered on the work site, Tyco will not be required to install or service the Equipment at such site unless and until Customer certifies the removal or safe containment of such hazardous materials. Customer shall indemnify, defend, and hold Tyco, its officers, directors, agents, and vendors harmless from any damages, claims, injuries, liabilities resulting from the exposure of Tyco's employees, contractors, or subcontractors to hazardous materials at the work site; provided, however, that the foregoing provision will not apply when it has been determined that such hazardous materials were brought to the work site by Tyco.

H. Waivers. 1. Waiver of Jury Trial. CUSTOMER AND TYCO BOTH AGREE TO WAIVE THEIR RIGHT TO A JURY TRIAL IN ANY LEGAL PROCEEDING ARISING OUT OF OR IN ANY MANNER CONNECTED WITH OR RELATED TO THIS AGREEMENT. 2. Mutual SAFETY Act Waiver. As required under 6 C.F.R. 25.5 (e), to the maximum extent permitted by law, Tyco and Customer hereby agree to waive their right to make any claims against the other for any losses, including business interruption losses, sustained by either party or their respective employees, resulting from an activity resulting from an "Act of Terrorism" as defined in 6 C.F.R. 25.2, when QATT have been deployed in defense against, response to, or recovery from such Act of Terrorism.

I. Miscellaneous. 1. Enforceability. If any of the provisions of this Agreement shall be determined to be invalid or unenforceable, the remaining provisions shall remain in full force and effect. 2. Paragraph and Section Headings; Captions; Counterparts. The headings and captions contained in this Agreement are inserted for convenience or reference only, and are not to be deemed part of or to be used in construing this Agreement. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same agreement. 3. FARs. Tyco supplies "commercial items" within the meaning of the Federal Acquisition Regulation (FAR), 48 CFR Parts 1-53. As to any customer order for a U.S. government contract or funded directly or indirectly with Federal funds, Tyco will comply only with the following mandatory flow-downs for commercial item subcontracts pertaining to Utilization of Small Business Concerns, Equal Opportunity, Affirmative Action, and Veterans Employment: 52.219-8, 52.222-26; 52.222-35; 52.222-36; and 52.222-37. 4. Export Control. Customer shall not export or re-export, directly or indirectly, any: (i) product or service provided under this Agreement; (ii) technical data; (iii) software; or (iv) information; or (v) items acquired under this Agreement to any country for which the United States Government (or any agency thereof) requires an export license or other approval without first obtaining any licenses, consents or permits that may be required under the applicable laws of the U.S. or other foreign jurisdictions, including the Export Administration Act and Regulations and shall incorporate in all export shipping documents the applicable destination control statements. Customer shall, at its own expense, defend, indemnify and save Tyco harmless from and against all third party claims, liability, loss or damage (including attorneys' fees and other defense costs), assessed against or suffered by Tyco as a result of an allegation or claim of noncompliance by Customer with this Section. The obligations contained in this Section shall survive the termination or expiration of this Agreement. 5. Insurance. Tyco maintains comprehensive General Liability and Automobile Liability Insurance in amounts that meet or exceed: \$1,000,000 per incident - \$2,000,000 in the aggregate and Worker's Compensation coverage as required by law. Tyco will not be required to provide a waiver of subrogation in favor of any party, nor will Tyco be required to designate any party as a statutory employer for any purposes. 6. Tyco Brand. Without exception, Tyco-branded Signage, including yard signs, window stickers and warning signs will remain the property of Tyco and may be removed by Tyco at any time. Customer's right to display Tyco-branded Signage is not transferable and ceases upon termination or expiration of this Agreement. 7. Resale. If Tyco is connecting to a previously installed existing system, to the extent the previously installed existing system is Customer's property, it shall remain Customer's property.

J. System Software; Network Connections. 1. Any software provided with the System or in connection with the Services is proprietary to Tyco and/or Tyco's supplier(s) and is licensed or sublicensed to Customer on a non-exclusive basis. Customer may not (a) disclose the Software or source code to any third parties, (b) duplicate, reproduce, or copy all or any part of the Software, or (c) use the Software on equipment other than with the designated System with which it was furnished. A separate Software License Agreement or End User License Agreement between Tyco and Customer and/or the software publisher may be required to use the software and/or obtain updates/upgrades. If the installed Equipment is to be connected to Customer's computer network ("Network"), Tyco will furnish and install the software needed to run the Equipment and will connect the Equipment to the Network according to the Network settings supplied by Customer. Installation shall not include modifications to the Network, security, or firewall settings. Customer will supply a TCP/IP Ethernet network address and central processing unit per Tyco specifications for access control system operation. Tyco shall not be responsible for the setup, operation, or maintenance of the Network or Network performance or compatibility issues. Tyco may assess additional charges, if Tyco is unable to connect to the Network or if any additional Equipment is required to facilitate connectivity between the Network and the Equipment. 2. Open Source Software. Tyco represents and warrants to the end user of the System that, to the extent the System includes any Open Source Software, the internal use and operation of the System by the end user will not create any obligation on the part of the end user under the terms of any Open Source License (i) to make any source code or object code available to third parties, or (ii) to license, disclose or otherwise make available to third parties any proprietary software, data or other information, or any associated intellectual property. As used herein, the term "Open Source Software" means any software, program, module, code, library, database, driver or similar component (or portion thereof) that is royalty free, proprietary software, the use of which requires any contractual obligations by the user such as, without limitation, that software that is subject to, distributed, transmitted, licensed or otherwise made available under any of the following licenses: GNU General Public License, GNU Library or "Lesser" Public License, Berkeley Software Distribution (BSD) license (including Free BSD and BSD-style licenses), MIT license, Mozilla Public License, IBM Public License, Apache Software License, Artistic license (e.g., PERL), Sun Industry Standards Source License, Sun Community Source License (SCSL), Intel Open Source License, Apple Public Source License, or any substantially similar license, or any license that has been approved by the Open Source Initiative, Free Software Foundation or similar group (collectively, "Open Source Licenses").

K. Force Majeure. TYCO ASSUMES NO LIABILITY FOR DELAYS IN INSTALLATION OF THE SYSTEM OR ANY EQUIPMENT OR FOR THE CONSEQUENCES THEREFROM, HOWEVER CAUSED, OR FOR INTERRUPTIONS OF SERVICE OR FOR THE CONSEQUENCES THEREFROM DUE TO STRIKES, RIOTS, FLOODS, TERRORISM, ACTS OF GOD, ACTS OF WAR, OR ANY CAUSES BEYOND THE CONTROL OF TYCO. TYCO WILL NOT BE REQUIRED TO SUPPLY SERVICE TO CUSTOMER WHILE INTERRUPTION OF SERVICE DUE TO ANY SUCH CAUSE CONTINUES. IN NO EVENT WILL TYCO BE LIABLE FOR LOSS OF SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES.

L. Assignment. This Agreement is not assignable by the Customer except upon written consent of Tyco first being obtained. Tyco shall have the right to assign this Agreement or to subcontract any of its obligations under this Agreement without notice to Customer.
