CRAFT KIT

HAMBURGER PERLER BEAD COASTER

Supplies:

- Parchment paper
- Pattern
- Perler beads

Needed: • Clothes Iron

Instructions:

Follow the colored pattern. Place the sheet underneath your peg board, and then carefully arrange your perler beads on the board.

a. Take your time! They are tricky to handle.

When you are happy with your hamburger shape, place the wax paper on top of your hamburger.

CAUTION: HEAT

a. Place your iron on top of the burger and carefully slide it from side to side. You'll want to heat up the beads for about 30 seconds - 1 minute.

When you are done, carefully peel the wax paper off your hamburger. Careful! It may still be hot.

a. Your beads may bend a little bit. That's okay! Just make sure to flatten it out again while its still hot.

Let it cool down completely. Once it has cooled down, you are done!
