

# TAKE & MAKE

CRAFT KIT

## POM POM POM CATERPILLAR

### Instructions:

① Grab your green leaf. Draw some details on your green leaf.

Consider adding lines, drops of water, add some red or orange for an autumn look, or even bite marks CHOMP!

② Glue your four pom poms together side by side. Let them dry so they stay attached.

③ Glue on the two googly eyes, hello friend!

④ Once your caterpillar is completely dry, glue your caterpillar onto their new leaf home!

⑤ Crawl on over to section 595 of our nonfiction sections to read more about caterpillars and all sorts of bugs!
