

TAKE & MAKE CRAFT KIT

POT OF GOLD

Supplies

- 1 sheet black construction paper
- 1 sheet blue construction paper
- Glue
- Cotton balls
- Scissors
- Fruit Loops cereal
- Corn Pops cereal

Instructions

- 1** Sort Fruit Loops by color into different cups, bowls, or sections of an empty egg carton.
- 2** Cut out and glue black cauldron at the bottom of one side of the construction paper.
- 3** Glue cotton balls on the other side of the paper.
- 4** Glue corn pops on top of the cauldron to create a pot of gold.

5 Draw a curved line with the glue. Then cover with red Fruit Loops. Repeat with all colors of Fruit Loops in rainbow color order (red, orange, yellow, green, blue, purple)

6 Let glue.
