Rain Cloud Flip Book*

With a pencil draw a simple cloud toward the right side of the paper. Press into the paper so that you will see the imprint of the cloud on the sheet below it.

On the next page Re-draw the cloud adding three (3) raindrops in the first row.

On the next page Re-draw the cloud adding three (3) more raindrops in the second row.

On the next page Re-draw the cloud adding three (3) more raindrops in the third row

On the next page Re-draw the cloud adding three (3) more raindrops in the fourth row

On the next page Re-draw the cloud adding three (3) more raindrops in the fifth row

On the next page Re-draw the cloud adding three (3) more raindrops in the sixth row

*Tip: Put the first sheet under the second sheet and trace it to ensure that the clouds line up.
