CRAFT KIT

Paper Plate Parrot

Instructions:

-  Grab a half plate, this will be your Parrot head! Color your parrot head whatever colors you want! Do you want a solo color or split between two or three? Rainbow? The choice is up to you!
-  After you are done coloring your plate, glue on the googly eye.
-  Glue the tissue paper pieces onto the other half plate.
-  Take your pieces of yarn. Glue/tape/staple the yarn on the bottom of your body. These will be your parrot's tail feathers!
-  Take your two plates. Put the head plate sideways at the top of the body plate and glue/tape/staple them together to make a new feathery friend!
-  Check out sections 598 and 636 of our Non-fiction sections for colorful books on parrots and other birds!
