

Pocket Fan

Instructions:

1 Draw a picture of your choice on one or both sides of the papers.

2 Score each paper on the 1/2" mark. You can fold it without scoring, but scoring will help children get even folds all the way across.

3 Accordion fold each piece of paper. Then fold each paper in half.

4 Using a glue stick or hot glue, adhere each fan piece together until you have one seam left.

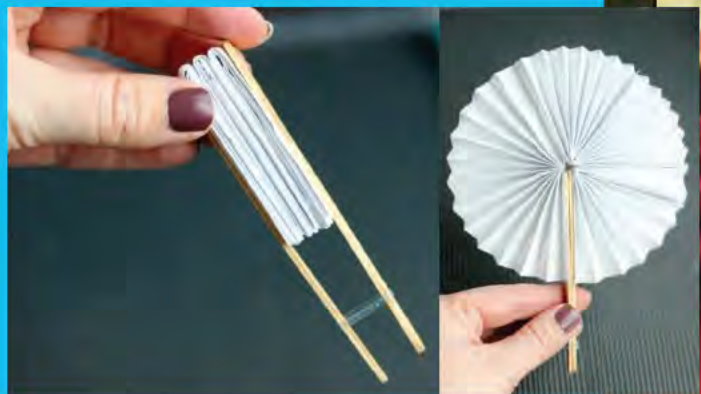

5 Glue a popsicle stick to each side.

6 Close with a rubber band.

7 Ta-da!!
