CRAFT KIT

String Pull Painting

Supplies:

- Sheet of paper
- Paint
- String

Instructions

Option A:

- 1** Place dots of paint on your paper in whichever order you'd like them. Be creative!
- 2** Place your string on the dots, making sure each dot has string running through it.
- 3** Pull the string at the bottom of your paper and watch the paint work its magic! Repeat on your paper as many times as you want.

Option B (messier!):

- 1** Cover your string in as much paint as you would like! Use only one color or different colors.
- 2** Arrange your string on your paper in a squiggly S shape.
- 3** Pull your string at the bottom of your page! Keep doing this as many times as you'd like.
