

# TAKE & MAKE

## CRAFT KIT

# Pasta *Tiny* Plants

## Supplies:

- Pasta
- Green, white, and black paint
- Thimble

## Needed:

- Glue (ideally with a hot glue gun)

## Instructions:

**1** Paint your pasta whichever shade of green you would like. Have fun making them lighter and darker!

**2** Once the paint dries, try arranging them in your thimble.

**3** When you find an arrangement that works, glue your pasta together, and glue it into your thimble.

**4** You are done! Find somewhere fun to display your pasta plant.
