# DECOUPAGE SOAP

## Materials:

Soap bar

Craft paper

Paint brush

Mod podge

Scissors

## Directions:

1. Cut out desired pattern using scissors.
2. Using the paint brush, apply a layer of mod podge to the flat surface of the bar of soap.
3. Apply the paper cut-out onto the mod podge. Using your fingers, smooth the paper to remove any creases or wrinkles.
4. Apply a layer of mod podge on top of the paper. Allow to dry.
5. Apply a second layer of mod podge. Allow to dry for 24 hours before use.

Enjoy!
