

TAKE — and — MAKE

DICTIONARY MAGNETS

Materials:

Dictionary pages
Clear glass stones
Mod Podge
Paintbrush
Magnets
Scissors
Pen/Pencil

Directions:

1. Using the glass stone, trace the shape of a circle over the desired word you would like for your magnet and cut it out.
2. Spread a thin layer of mod podge over the paper. Press the glass stone onto it and hold down for several seconds. Allow to dry.
3. Spread a thin layer of mod podge onto one side of the magnet. Press to the back of the glass stone. Allow to dry.

Enjoy!
