SPIDERWEB WREATH

Materials:

Embroidery hoop

Black paint

Paintbrush

Fake spiderwebs

Plastic spiders

Black & white ribbon

Glue

Directions:

1. Separate the two parts of the embroidery hoop and paint them black. Allow to dry.
2. Tie the ribbon around the top of one part of the embroidery hoop.
3. Spread the spiderweb across the hoop. To secure, re-attach the two parts of the hoop together with the spiderweb between the edges.
4. Glue the larger spiders to the edges of the hoop.
5. Glue the smaller spiders to the spiderweb.

Enjoy!
