

# Teen TAKE & MAKE CRAFT KIT

## Pipe Cleaner Creations: Dragon

### Supplies Needed:

4 Pipe Cleaners  
Craft Foam  
Craft Stick  
Googly Eyes  
Glue

### Directions:

Cut a small section from the end of a craft stick. Round off the end with scissors as seen in picture. This will be the body.

To make the head, fold the end of a pipe cleaner around in a circle. Then wrap it the other way a few times to give the head some depth. Leave the end for the neck.

Take a second pipe cleaner and wrap it tightly around the neck, starting just under the head. Then wrap the other end around the body.

Tuck a third pipe cleaner under the others and keep wrapping. Add a little glue to the craft stick to keep the pipe cleaner in place. Leave the end hanging to be the tail.

Add craft foam horns and tail, and glue on googly eyes. Cut four pieces for the legs and glue them to the body.

Add foam feet and wings, and you're done!

**Take photos of your finished projects and post them on social media!  
Remember to tag the library in them! #OrlandParkLibrary**
