

Teen TAKE & MAKE CRAFT KIT

Pipe Cleaner Creations: Turtle

Supplies Needed:

2 Green And 2 Brown Pipe Cleaners
Googly Eyes
Glue

Directions:

Coil a brown pipe cleaner into a circle. Bend the pipe cleaners so that the center of the circle is raised. Tuck in the end.

Make the head, legs, and tail with segments of green pipe cleaners.

Glue the eyes to the head, and then glue the head to the underside of the shell.

Glue on the legs and tail.

Make a second brown coiled circle to be the bottom of the shell. Glue this to the turtle's belly.

Your turtle is complete!

**Take photos of your finished projects and post them on social media!
Remember to tag the library in them! #OrlandParkLibrary**
