PAPER FLOWER BALL

Materials:

White paper flowers

Pink paper flowers

Foam ball

Silver pins

Twine

Directions:

1. Tie the twine into a large circle. Attach to the foam ball with a pin.
2. Place a white flower over a pink flower and attach to the foam ball by piercing the center with a pin. For a more 3D effect, lightly bend the edges of the flowers inward.
3. Continue attaching flowers to the ball until it is completely covered.

Enjoy!
