MAKE

WATERMELON COASTER

Materials:

Wooden coaster

Black marker

Mod Podge

Red, Green, & White acrylic paint

Paintbrush

Pencil

Directions:

1. Using the pencil draw two circles- one about 1/4 inch from the edge, the other 1/2 inch from the edge.
2. Paint the outermost circle with green paint, allow to dry.
3. Paint the second circle with white paint, allow to dry.
4. Paint the inner circle with the red paint, allow to dry.
5. Using the marker, draw the watermelon seeds in the middle.
6. Apply a layer of Mod Podge to the coaster. Allow to dry, then add a second coat. Allow to dry.

Enjoy!
