

TAKE *and* MAKE

KOOL-AID LIP GLOSS

Materials:

- 4 Tbsp. Coconut Oil
- 1 package of Kool-Aid
- Small jar
- 2 tsp. sugar

Directions:

1. Heat coconut oil several seconds in microwave to soften (do not melt completely).
2. In another bowl mix together Kool-Aid and enough water to form a paste. Whisk in the sugar and the softened coconut oil. Mix until combined.
3. Transfer gloss into jars.

Enjoy!
