PAPER FLOWER EARRINGS

Materials included in this kit:

Sets of large, medium, and small
paper flowers (colors may vary)

Earring hooks

Pin

Glue

Directions:

1. Glue the middle sized flower to the center of the largest flower and allow to dry. Repeat with the other set.
2. Glue the smallest sized flower to the center of the middle sized flower and allow to dry. Repeat with the other set.
3. Using the pin, make a small hole in the upper center of one of the flower petals on the largest flower. Repeat with the other set.
4. Clamp the earring hook through the hole you made with the pin and tighten the hook to secure. Repeat with the other set.

Enjoy!
